August 8, 2016: Toronto, Ontario - The Tinley Beverage Company Inc. ("**Company**" or "**Tinley**") is pleased to announce the appointment of Mr. Ted Zittell to its Board of Directors.

Mr. Zittell consults internationally via his firm, Ted Zittell & Associates Inc., to market leaders on retail formats and trends, branding systems, marketing communications and design. He also serves as a senior consultant for McMillan Doolittle LLP, a leading Chicago-based retail and consumer experience agency, as well as an advisor for private equity and investment funds in the food and beverage sectors. Mr. Zittell previously served as President of Cott Corporation's Retail Brands International, where he led the creation and launch of dozens of premium retailer brand and marketing programs worldwide. He also served as a senior partner at Cott's Watt Design Group for 17 years. Recent executive-level engagements include work for Walmart, Kroger, CVS Pharmacy, P&G, Nestlé, Loblaw's, Sainsbury's and Tesco, as well as advisory work for two leading San Francisco-based private equity funds.

"Mr. Zittell's contacts and experience in the food and beverage industry will no doubt be instrumental in driving our business development initiatives and also ensuring that our marketing and in-store merchandising initiatives convey a world-class image for our products," said Jeff Maser, CEO of Tinley.

"Hemplify today is positioned at the confluence of two macro beverage trends: The rapid emergence of cannabinoid products as a growing consumer category, and the continued consumer shift away from sugary sodas to healthy, functional drinks. Tinley's products are among the first spectrum hemp extract products designed for mainstream retail channels. The CPG market is highly competitive; I look forward to helping Tinley employ best-practices to drive trial and sell through in stores, while attracting new strategic partners for increased distribution and sales," said Ted Zittell.

The Company's board has approved for the issuance of 350,000 stock options ("**Options**") to Mr. Zittell. Each Option is exercisable into Common Shares at a price of \$ 0.08 per Common Share for a period of 5 years, expiring on August 8, 2021. The Options vest in increments over 18 months.
