Mag One Products Inc.: Company Update

VANCOUVER, BRITISH COLUMBIA, CANADA/06 September 2016. **MAG ONE PRODUCTS INC.** ("Mag One" or the "Company") has initiated major market awareness campaigns in both North America and in Europe.

In Canada, the Company has retained (for an initial 6 months) Trapeze Capital Corp. of Toronto to provide issuer trading services in accordance with CSE policies. Trapeze is a registered IROC market-maker.

In the U.S., Mag One has retained RedChip of Maitland, Florida to undertake an investor relations, research and media program. This contract is also for 6 months.

In Europe, the Company has contracted Aktiencheck.de AG (Stefan Lindam) jointly with DGWA (Stefan Müller) to initialize a European marketing awareness program.

The Company announces the engagement of Mr. Hussein Jiwani to serve as Investor Relations' Consultant. Mr. Jiwani will advise the Company on investor communications, market awareness efforts, assist management in developing a strategy to enhance and expand Mag One's exposure in both North America and in Europe.

To complement the above companies' efforts, Mag One will be launching its new website.

In addition, Mag One has scheduled a full design team conference in Quebec City for September 11/12 in conjunction with attending an International Minerals Processing Congress. At that time, the Company is to review the positive results of the recent work performed by SNC Lavalin and discuss the commercial possibilities of the high-value byproducts that have been confirmed. A detailed progress report will be issued by the Company after these meetings.

Mag One Products Inc. is a technology, processing and production company, concentrating on three initial projects: I. Magnesium-based structural panels, II. Production of MgO, Mg(OH)₂ (and other saleable byproducts and compounds) and III. Production of ultrapure Magnesium Metal at their site in Quebec, Canada.
